To apply purchased DLC products in-game, please follow the steps below.

- Obtain purchased DLC merchandise from your Steam Inventory.
- Log on to Bless and open your account inbox.
- The In-Game Buff set, one of the Premium Membership benefits, will be applied to your account immediately once you accept it from your account inbox.
- Items will be automatically sent to your character's mailbox upon receipt.
Once you accept the items in your mailbox, the item will automatically be added to the inventory of the character you used to accept the item.
If it is an expiring item, the item's remaining usage time will start counting down once you open the item in your inventory.

Note:

- The items will be sent individually via the Account Inbox. Please make sure to select the correct character when redeeming each item.
- Please note that the items cannot be transferred to another character once they have been sent to a character's inventory.
- When redeeming weapon sets, the character that redeems the set will receive a weapon skin that matches their character class.
- Lumena items are bound to the character. Please redeem the items from your account inbox using the character you wish to use them on. (However, Lumena can be transferred between the characters in the same account through the Lumena Transfer System).

How do i claim that stuff from dlc i buy it?? pls help me i don't recive anything in the game!. The weapons, outfit and pet/mount skin are cool. A little cheap to just give us 30 days of premium and 1200 Lumen but it will do.

Even though it was only 30 days of premium I still recommend it for the badass look.
